Walking from the MTR to VSA

VSA is a short walk from the MTR station of approximately 12-14 minutes. We recommend delegates bring an umbrella if the days of the conference are particularly rainy/sunny as there is little to no shade on the path.

After exiting the station through exit B, continue up Hueng Yip Road.

Then, when you reach this junction, turn right down the hill.

Continue walking to arrive at VSA.

Taking the Bus from the MTR to VSA

Alternatively, one can take the bus up the hill towards VSA and the closest station (Sham Wan Bus Terminus 深灣總站) from Wong Chuk Hang Station by exiting from Exit A1/A2 to cross Hueng Yip Road in the image below.

Then, one can continue down this road to arrive at the bus stop below to take 72A, 48, or 75 towards Sham Wan Bus Terminus.
